

I am confirming our 121 tomorrow.

Here's what I would like you to do to prepare for our 121:

1. Please spend 5 minutes on my new website to see what we have been doing recently:  
[www.e9digital.com](http://www.e9digital.com)
2. Please check your contact list for any Manhattan based lawyers that provide incorporation services. I'd like to meet as many as you know, and I'll tell you how to introduce me at our 121.
3. Please check your contact list for anyone that has recently started a business or that will be starting a business.
4. I will review the referrals that you have given me in the past, and discuss their statuses.
5. Please review the referrals I have given you, and let me know the status to see if some warrant a reconnection.
6. Is there anything else I can do for you to prepare for our meeting?

Thanks!
